A Note from Our Pastor

Greetings during these summer days,

I pray that everyone is well and staying cool. Summer is a wonderful time to relax and refresh while enjoying the weather with family and friends.

I had the privilege to recently confirm Garrett and Nathalie and baptize Lucas! Congratulations to all three of them.

Summer is a great time to be able to spend time in fellowship with our church family. Our next big event is Shipwrecked VBS from June 18th-21st. At Shipwrecked we will have the opportunity to share the good news of Jesus Christ with young people from within our church family as well as other children in the wider community. Please consider volunteering if you are available. And please invite your family, friends and neighbors and share the event on Facebook if you can. We are going to have so much fun this year!

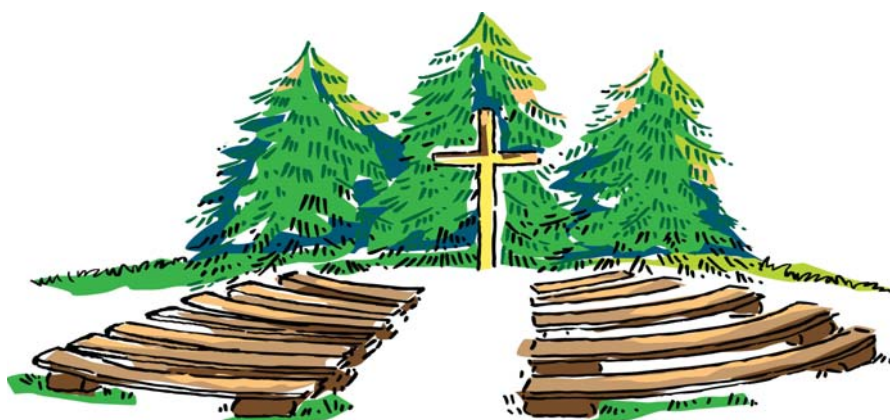

Peace,

Pastor Jaci

Outdoor Worship

with Zoar

Sunday, July 1st - 10:00 am
Service to be held at the
LCM Outdoor Worship
Area

This is a great opportunity to join with the members of Zoar in worship. Holy communion will be celebrated. Please bring lawn chairs or a blanket to sit on.

Property Report, May, 2018

An awning was installed over the kitchen door by the same company who installed the new awning at the front door. This awning, as well as the new kitchen freezer, was provided by memorial funds for Steve Golembiewski.

We've had to apply tick insecticide to the playground grass already since a tick was found there. We always do an insecticide application to the park area two weeks prior to the combined service with Zoar as a precautionary measure. Ant season has returned and we need to make sure all crumbs, etc. are completely cleaned up on Sunday mornings to keep ants out of the lobby.

The sink leak in the lobby has been repaired

We recently had our annual fire safety inspection. Simplex inspected our smoke detection system and pull stations and then activated an alarm to test our monitoring system. Everything worked as it should. Perrysburg Twp. Fire safety inspection also took place. Following that inspection, we needed to replace some emergency lighting batteries that failed during the test. These batteries last 8 – 10 years and have all been replaced once. We are now starting the second replacement cycle.

We recently patched our own LCM pothole that developed near the drain in the parking lot.

The furnace/air cond. unit that handles Connie's and Pastor's offices recently failed and Downey Heating replaced the control panel. All of our "new" furnaces are approaching 20 years old. We need to anticipate these maintenance costs becoming more common. We keep all the air filters changed on a regular basis but mechanical/electronic failures can happen anytime.

A broken water line in the Scout Building has been repaired and the water is turned on for use during preparation for the Rummage Sale.

The committee has not yet met to discuss light at the front of the church or rekeying the outside doors of the building.

We had only seven people show up for our Spring Cleanup on Thursday night May 10th. Not a very good turnout so much work still needs to be done.

Finance (Memorial) Committee may forward a proposal to Council to install a handrail at the front of the sanctuary to help elderly members up the steps to read or assist with communion. This would be a memorial for Steve Golembiewski as proposed by Donna.

June 2018 LCM Newsletter

Thank you LCM volunteers: John and Bonnie Szul, Wendy and Shannon Walters, Kate and Bob Smithers, Becky Schardt, Wayne Johnson and Ryan Solt!

LCM hosted the Faith Community Discussion about Opioid Addiction for the Wood County Opiate Task Force the evening of Monday, May 21. Our guests were Wood County clergy and church leaders, support group leaders who address opioid addiction, Wood County residents, local agencies who address opioid addiction, and some individuals who are in recovery from addiction. 39 were in attendance. There was a lot of good discussion, and the information shared is sure to touch many lives.

Thank you for addressing and stamping envelopes for invitations in April. Great job setting up tables, preparing dinner (salad, fruit, pizza, cookies, and drinks), manning the registration desk, helping our guests find their way around the building, cleaning up, and all the other tasks that helped the event run smoothly.

LCM members know how to work together!
Thank you volunteers!

Sincerely,
Kim Newlove
